PRIMARY LOGO - COLOR OPTIONS  
LOGO MISUSE  
COLOR PALETTE

## PRIMARY LOGO

---

The CAA logo shown above is the preferred logo for CAA member institutional use on uniforms, apparel, facility and play surface branding, signs, banners and general overall use.

## PRIMARY LOGO

### Color Options

In addition to the color options listed below each CAA institution is permitted to use their school colors with the CAA logo as presented on pages 9-18 of this document.

Above is the acceptable presentation of the CAA logo on white or light colored backgrounds.

Above is the acceptable presentation of the CAA logo on dark backgrounds.

Above is the acceptable presentation of the CAA logo on white or light colored backgrounds when used in grayscale.

Above is the acceptable presentation of the CAA logo on black or dark colored backgrounds when used in grayscale.

**Note: When using the CAA logo a strong contrast in color from the background should always be maintained.**

## LOGO MISUSE

The CAA 'seal' is retired and should NEVER be used.

The CAA Football logo should NEVER be used outside of specific CAA Football purposes.

The CAA logo should retain the original aspect ratio and should NEVER be stretched or squished.

**COLONIAL ATHLETIC ASSOCIATION**

The CAA logo with the words 'Colonial Athletic Association' is for use on CAA executive and business materials. Schools are permitted to use this version of the logo in limited applications.

# UNIFORM STANDARDS

**CAA**

UNIFORM BRANDING STANDARDS AND REQUIREMENTS

## UNIFORM STANDARDS

### Baseball / Softball

The CAA logo is required to appear on all baseball and softball uniforms in the institution's colors (see school-specific logo sheets as a reference). Logo placement on caps is encouraged but not required. The appropriate placement of the CAA logo is pictured to the right.

### Jersey - Required

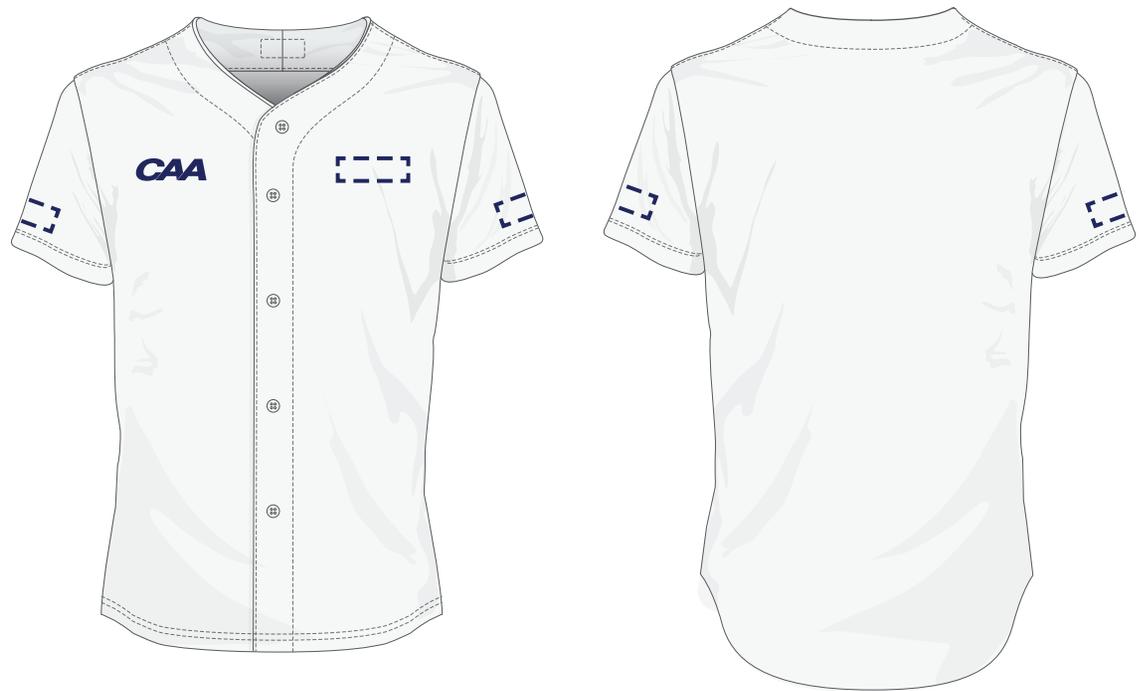

The preferred presentation of the CAA logo is 2.25" wide, on the right chest on the front of the jersey centered between the collar and sleeve seam.

### Cap

The preferred presentation of the CAA logo is 2.25" wide, on the right panel. The logo on the hat should always be in addition to the logo on the jersey, and never the only CAA logo on the uniform. Logo placement on caps is encouraged but not required.

**Note:** When a manufacturer's logo presents a conflict with the preferred logo placement, the alternative options for placement are denoted by the blue dashed rectangle.

Refer to the CAA school-specific logo sheets for questions regarding use of the CAA logo in specific school colors.

# FACILITY BRANDING

**CAA**

FACILITY BRANDING STANDARDS AND REQUIREMENTS

## **FACILITY BRANDING REQUIREMENTS**

**The following pages are a guide to aid in the co-branding of CAA school facilities.**

- **It is required for each school facility where a CAA sponsored sport is played to have a minimum of three highly visible CAA logo displays that adhere to the standards listed in the following pages.**
- **Please ensure any CAA co-branding is approved by the conference office prior to installation/application.**
- **Each school is permitted to use the CAA logo in conference colors or in their school colors as specified on pages 5, 7, & 9-18.**
- **The institution is responsible for all production and application of co-branding.**

## PLAYING SURFACE

### Field Sports

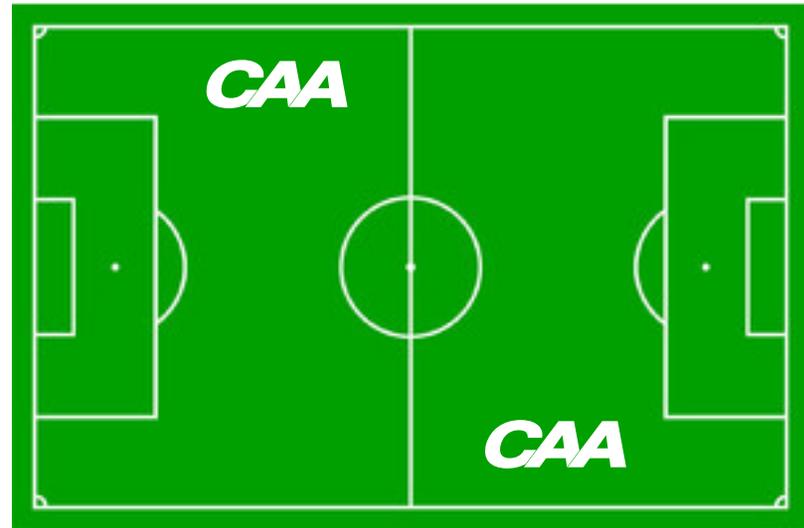

The recommended on-field CAA logo is pictured to the right. To provide the proper amount of contrast the logo should be presented in white.

For all fields painted with the application of the CAA logo the CAA will provide a stencil to be used on loan. Please contact the CAA to arrange delivery of the stencil.

Placement of the logo should be so that the logo faces the appropriate TV angle of the respective stadium, as pictured to the right.

It is a suggested but not required that the CAA logo be painted on both sides of the field in the following sports:

- Field Hockey
- Men's and Women's Lacrosse
- Men's and Women's Soccer

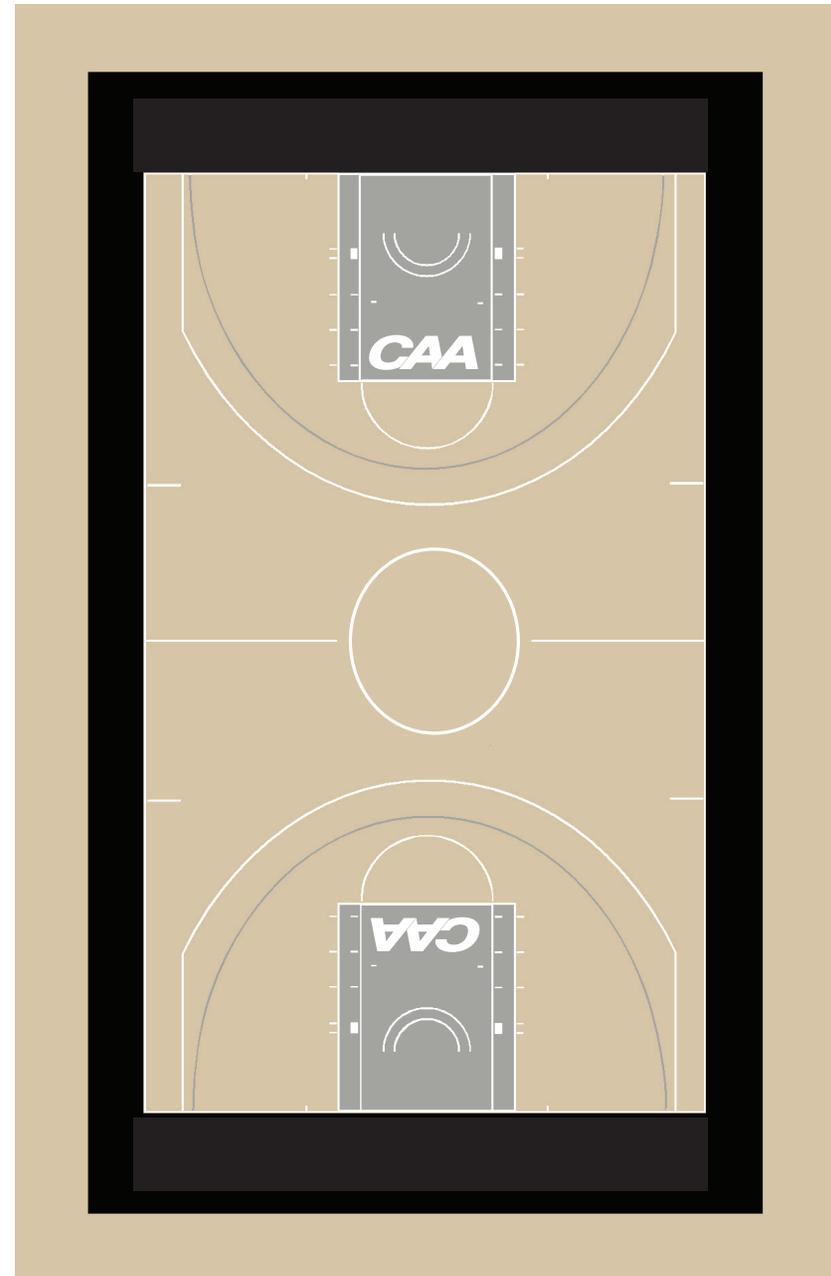

## PLAYING SURFACE

### Basketball

#### Required Placement

The CAA logo is required to be painted in two locations on each member school's basketball court in the institutional colors, as highlighted on pages 9-18. The logos should be centered inside of the key facing center court.

The CAA logo should be located 18" off of the inside of the foul line and centered in the key with 6" of clear space on each side of the logo.

## PLAYING SURFACE

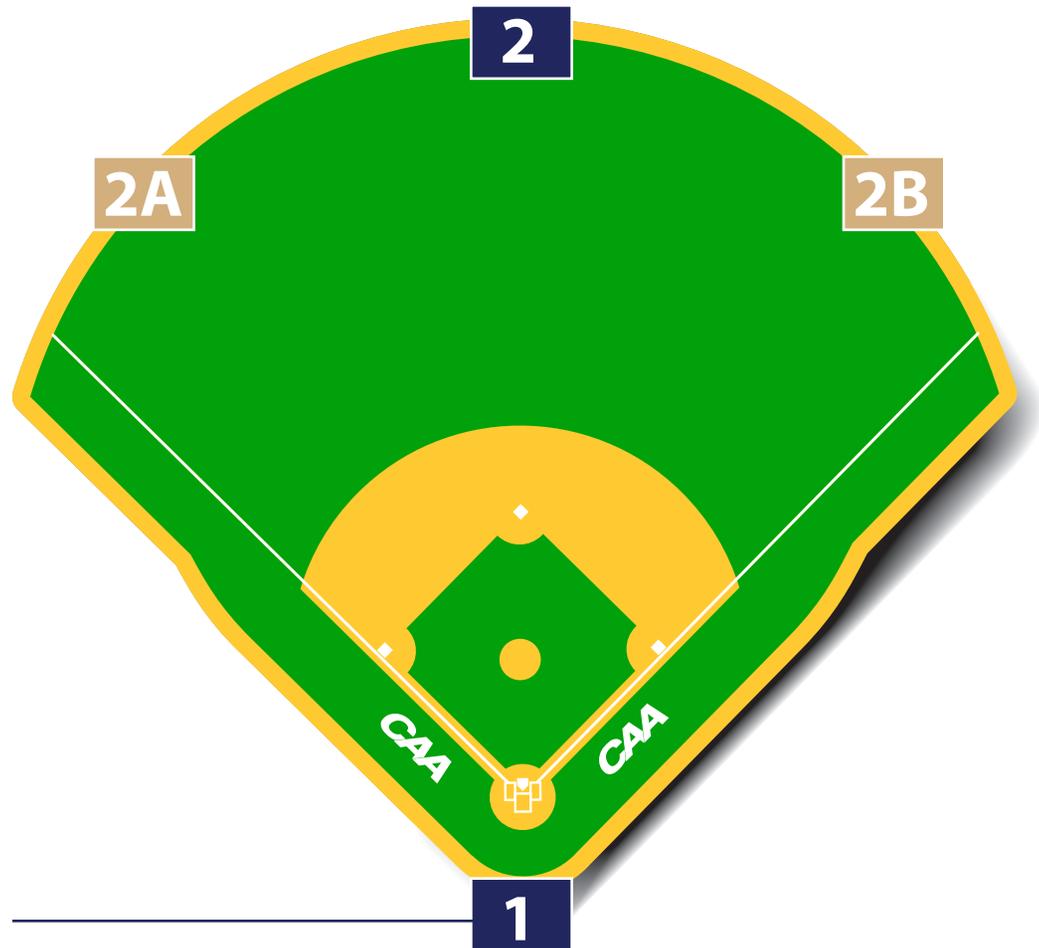

### Baseball / Softball

It is encouraged that the CAA logo appear on the wall directly behind the plate, as illustrated in figure 1 and at least one location on the outfield wall.

Figure 2, is the recommended location for the placement of the logo on the outfield wall. Figure 2A and 2B indicate additional or alternative logo placement for the CAA logo on the outfield wall.

In addition it is encouraged that the CAA logo be placed on the field. Recommended placement is noted on the diagram to the right, facing each dugout. For the field logo applications it is permitted to use a white CAA logo to provide contrast and prevent the logo from clashing with the green field.

*In all instances listed above the CAA logo should be used in a color that contrasts with the background. Please refer to the CAA school-specific logo sheets for questions regarding use of the CAA logo in specific school colors.*

## MEMBER REPRESENTATION

The CAA suggests each institution display CAA membership in their primary basketball arena. The banners can be custom to the arena in size and material but must adhere to the branding standards set forth in this guide.

In addition current membership must always be presented, with current logos and or names. Schools are permitted to list member schools by either name, logo or both.

It is also encouraged to have member representation branding in other CAA sponsored sport facilities.

## ADDITIONAL CO-BRANDING

It is encouraged that member institutions implement other co-branding including but not limited to banners, signs, banners, posters, flyers and flags.

When implementing any additional co-branding ensure all color requirements, minimum size and minimum clear space around the logo are adhered to.

Please ensure that any CAA co-branding is approved by the conference office prior to installation/application.
